### THE HOME CIRCLE AND ITS INTERESTS.

Column Dedicated to Tired  
Mothers as They Join  
The Home Circle at  
Evening Tide.

#### A Word For Father;

The editor of the Indianapolis News thus rushes to the defense of the down-trodden father:

When a man succeeds in living a good or useful life that fact is usually attributed to the influence of a mother. When men talk of days past no word brings forth more treasured memories than "mother." When a lawyer wishes to arouse a jury's compassion for a client he invariably speaks of the effects of conviction on the mother. Poets, dramatists, and fiction writers of all ages have united in honoring her name. Days have been set aside in her honor, pensions are given her, flowers named for her, societies founded for her. All this is well. The world would be a sorry world indeed if it were not so. But is there not danger of father being overlooked in the shuffle? The average father succeeds pretty well in discharging his duty to society. He labors along persistently and quietly for six days a week that his family may be provided for, he stands between his family and the world, shouldering the responsibility of the rent, the taxes, the grocery, and the coal bills; he admonishes the boy and advises the mother, seeking always to make their burden lighter; he works unceasingly without complaint, fighting, scheming, suffering to the end that his family may be assured comfort and independence. In this he sometimes fails, but he keeps on trying, cheerfully, stolidly, stubbornly, plugging along to the end.

The sacrifices that must be made he makes willingly. The boy must go to college and the girl must have music lessons; something must be cut, and usually it is some luxury of father's that perishes by the wayside. He is not so poetical a figure as mother, not so demonstrative in his affections, not so elated in pleasure, so depressed in grief. And yet many will remember a kind word here, or a thoughtful act there, that stands out, clear and distinct, as one of youth's happiest impressions. Not often is he appreciated by the growing boy. Often he stands in the family as the official admonisher to

whom the boy's faults related for punishment. On him falls the unpleasant task of applying the rod; his is the arm that must enforce respect for mother and regard for the rights of others. In this light the growing boy is likely to view him with a mixture of fear, awe and respect. Not until years bring a proper perspective is he richly understood and appreciated—and perhaps not even then.

#### Help The Boys.

We want to say a few words for the boys. We mean those wild reckless boys who have no friends. We know this is to many an unpleasant and disagreeable subject, but we must not forget that the boys make men, and our country will be governed in the future by the boys of today. We are writing about the very bad boys, and we don't mean that we are to uphold them in wrongdoings. Don't go down in the ditch with them, but lend a helping hand and help them out. Give them a kind word of cheer whenever you can. We must trust a man to save him. Make him think that he is a man, and the good that is within him strives to do the best it can.

We are too apt to distrust one another as the Master bade us not to do. When a brother goes wrong we don't try to bring him back, but like Cain, we cry out, "Am I my brother's keeper?" You hear people say in speaking of some of these boys: "There is no good in him, he will never be any good." We don't know each other because we don't try. We are looking for faults instead of trying to find some good. We don't think you will find a boy with no good in him. We never have.

We don't know why he went wrong. Maybe he was neglected at home. So many people think that anything is good enough for the boys. Start him right; give him your love and respect at home, and he won't be apt to forget it. Perhaps if you had the temptations he has you might be better than he is.

A girl can be such a help to a brother if she will. And you who meet him in the world's broad field, don't judge too harshly. You don't know his heart. You will never know the longing of his heart after better things while you and I are looking coldly and forgetting that for such as he the Blessed Master came and suffered. There is not one but is worth saving, yet we professed followers of the Master pass by on the other side.

#### Home Life.

We wish we could sufficiently impress upon every woman the importance of the home, and that a woman can have no higher work in life than making a home for her husband and

### PROMINENT KENTUCKY WOMAN SPEAKS

Slaughterville, Ky.—"I wish to tell you of the benefit Dr. Pierce's medicines have been to us. Several members of my family have taken either 'Golden Medical Discovery' or 'Favorite Prescription' and always with the very best of results. Three years ago my husband had a very severe skin trouble. He took six bottles of 'Golden Medical Discovery' which he procured from a local druggist, and was entirely cured.

"Two years ago I had nervous trouble, heart affections and severe pains in my head. I took two bottles of 'Favorite Prescription' and was relieved. I have taken it several times in the last few years and always with perfect results. I can recommend it to anyone as being all it is represented to be."—Mrs. S. P. COLLINGS, L. Box 112.

#### THAT WEAK BACK

Accompanied by pain here and there—extreme nervousness—sleeplessness—may be faint spells, chills or spasms—all are signals of distress for a woman. She may be growing from girlhood into womanhood—passing from womanhood to motherhood—or later suffering from that change into middle life which leaves so many wrecks of women. At any or all of these periods of a woman's life she should take a tonic and nerve prescriber for just such cases as a physician of vast experience in the diseases of women.

Dr. Pierce's Favorite Prescription has successfully treated more cases in the past 50 years than any other known remedy. It can now be had in sugar-coated tablet form as well as in the liquid. Sold by medicine dealers or trial box by mail on receipt of 50 cents in stamps.

Dr. Pierce's Pleasant Pellets regulate stomach, liver and bowels—sugar-coated, tiny granules.

growing children. This truth is in great danger of being lost sight of in these modern times, when women will leave their little children to be cared for by handmaids, while they take up outside work, which might just as well be done by others. Of course if the mother is obliged to earn their living, that is a good excuse, but if not, she has none. If all good people who deprecate divorces would be more careful about making marriages, if the churches would not give their sanction to bargains for titles, and then deplore the outcome, there would not be so many mistakes to rectify. The first thing for any human being to learn is that life is law and any transgression will bring trouble.

### Kidney Medicine Dissolves Gravel Stones

Dr. Kilmer's Swamp-Root sells well with us because it invariably produces good results in Kidney, Liver and Bladder troubles. We sold a dollar bottle to one of the inmates of our Soldiers' Home near here, and after using it he brought in about one dozen gravel stones some as large as a pea, which he had passed. He states that he obtained wonderful relief from the use of Swamp-Root.

Personally appeared before me this 28th of July, 1909, Ernest A. Brown, of the Brown Drug Co., who subscribed the above statement and made oath that the same is true in substance and in fact.

BEST FOR LIVER AND BOWELS,  
FOR BILIOUSNESS, SOUR  
STOMACH AND CON-  
STIPATION.

Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
